What is the EPEC Living with Teenagers Course?

The Empowering Parents Empowering Communities (EPEC) 9 week Living with Teenagers course offers accessible and effective community based parenting support for parents of adolescents aged 11-16 years. It creates a trusting group ethos, where parents are encouraged and supported to explore strategies to:

- Improve young people's social, emotional and behavioural development
- Improve young people's well being
- Reduce adolescent and family difficulties
- Improve parent confidence
- Improve parenting skills and satisfaction
- Improve social and community connectedness

Why is it different?

The Living with Teenagers course is completely free and is co-facilitated by certificated volunteer parent group leaders who have completed EPEC training. Their experiences, backgrounds, skills and qualities make each session inviting and engaging.
